World's Fair March, 1904.

Mr. John C. Weber, director of Weber's Military Band of Cincinnati, known as the "Prize Band of America," has composed the St. Louis World's Fair March 1904 and dedicated it to the Louisiana Purchase Exposition. It will be distributed through the passenger department of the B. & O. S-W-R. R., World's Fair Route, at 10 cents per copy.

The music is in sheet form, arranged for the piano, being very handsomely gotten up, with highly illuminated title cover. Mr. John C. Weber is not only a great Musical Director, but he has written some very catchy and popular marches. The St. Louis World's Fair March is his latest success, and will add further to his fame. Mr. Weber and his great organization of artists has twice defeated all comers in national contests at Elks' Reunions. The latest triumph was at Baltimore, Md., on the 21st of last July, when, in a notable contest, composed of the leading bands of America, won the first prize of \$1,000. It is confidently expected that Mr. Weber's World's Fair March will become a popular air during the next year, and every household should have a copy of this music.

Send 10 cents in silver to the undersigned and copy of the World's Fair March will be mailed to your address.

STILL INVESTIGATING.

New Clew Discovered in Schafer Murder Case.

Said the Murderer Went to Linton the Morning After the Murder and His Guilt Is Known to Two Men.

Linton, Ind., Feb. 26.—After being closeted with John A. Riddle and Chas. E. Jones for several hours, Detective Reed, at work on the Schafer murder case, left for Bedford Thursday. Detective Reed told the Linton men that the officers regretted the scant courtesy shown the effort to run down the murderer and said that the clew furnished by Jones and Riddle is the strongest one that has been offered. When the detective left here he said he could make the arrest as soon as he reached Bedford, if he desired.

It is said that the murderer of Miss Schafer came to Linton the morning following the tragedy and that his guilt was learned that day by John A. Riddle, who, with Charles E. Jones, a newspaper man, offered the information to the board of inquiry, which promptly rejected it.

The Linton men intimate they have information that the suspect returned to Bedford Thursday. Both Riddle and Jones assert that the man does not have a suspicion that he is being shadowed.

Bedford, Ind., Feb. 26.—Immediately after the arrival of Detective Reed from Linton the members of the board of inquiry were called together for a conference. The officials acknowledged after the conference had closed that it was significant and had to do with the Linton clew, but refused to discuss the details.

It is intimated that the cuff and cuff button which were found in the cab shed several days after the murder was committed will play a prominent part in the future investigation. It is said that the jeweler who has been trying to find a mate for the cuff buttons has been successful and it is intimated that he will be taken to Linton to assist the detectives in their investigation.

CHARGED WITH LARCENY.

Wallace H. Ham Held on a \$50,000 Bond in Boston.

Boston, Feb. 26.—Wallace H. Ham, manager of the Boston branch of the American Surety Co., of New York, treasurer of St. Luke's home for convalescents, Roxbury, and until recently treasurer of St. Paul's Episcopal church in this city, was arrested Thursday charged with larceny of \$104,000 from the American Surety Co. He was arraigned and held by Judge Ely in \$50,000 for hearing March 3. In court, George N. Berry, counsel for the surety company, stated that although the warrant alleged the appropriation of \$104,000, he was ready to prove that as much as \$175,000 had been taken by him as manager of the surety company. Mr. Berry said that Ham also was responsible for a loss of from \$40,000 to \$50,000 in the hands of St. Luke's home.

The report shows that in 1902 there were 118,671 wells, 29,522 operators, 3,033 salaried employees drawing an aggregate of \$2,986,768, and 17,552 wage earners, drawing \$13,242,361. BLAZE IN ROCHESTER.

Property to the Value of About \$4,000,000 Was Destroyed.

Rochester, N. Y., Feb. 27.—The sun set Friday night with ten engines pouring streams of water on the ruins of what was practically the retail dry goods district of this city. For three out of the five department stores were consumed in Friday's disastrous fire, one of which, the Sibley, Lindsay & Curr Co., was by far the largest establishment of this kind in the city, and the oldest.

Insurance men place the loss at \$4,000,000. Of this amount \$750,000 represents the loss on buildings and the remainder the loss on stocks of goods and to occupants of offices. It is estimated that 2,500 people are thrown out of work, temporarily at least, because of the fire.

The burned district lies on the north side of Main street between St. Paul street and Clinton avenue, north, running from St. Paul street almost the entire length of the block. The fire started in the store of the Rochester Dry Goods Co. and worked west, taking but one store east of this establishment, that of the Walkover Shoe Co., before its progress was checked in that direction. The next, west, was the store of the Beadle, Sherburne Co., which was destroyed, then the Marble block, occupied by the Sibley, Lindsay & Curr Co., also destroyed, and finally the 13-story Granite building, the lower part of which was also occupied by the Sibley, Lindsay & Curr Co., and the upper part by offices. Only the front wall of the Marble building is standing. The shell of the Granite building is intact and the floors are in place but the building was gutted.

SCAFFOLD COLLAPSED.

One Man Killed, One Fatally Hurt and a Score Narrowly Escaped.

Chicago, Feb. 27.—One man was killed, another was probably fatally injured and over a score of other workmen had narrow escapes from being crushed beneath a monster scaffold which collapsed Friday afternoon in the center of the new post office building. The scaffold was built from the main floor of the building directly beneath its dome to the tenth floor, a distance of 161 feet. Thirty-five men were working about the dome at the time of the accident and for a time it was thought nearly half this number had been killed by the falling timbers, but all escaped except two plasterers, James Byron and Barney McBride, who were standing on the portion of the scaffolding which collapsed.

PRESSFEEDERS FINED.

They Violated An Injunction of the Chicago Court.

Chicago, Feb. 27.—Friday for the second time Judge Jesse Holdom fined Franklin Union of Pressfeeders \$1,000 for a violation of an injunction of the court. The injunction was obtained by the Chicago Typothetae, which charged the Franklin union with interference with non-union employees. Besides fining the union as a body Judge Holdom Friday fined President Weiner, of that organization, \$150 in addition to a jail sentence of six months. Secretary J. M. Shea was fined \$100 and sentenced to six months in jail. Jerome Collins and Harry Brown, members of the union, were given short jail sentences.

BLAZE ON A STEAMER.

Fourteen Passengers and Seamen Lost Their Lives.

To Add to the Horror the Heavy Seas Running Meant Death to Any Person Sent Away in the Life Boats.

Port Townsend, Wash., Feb. 29.—After suffering the most harrowing experience from fire and storm that has ever befallen a craft on the North Pacific coast, the steamer Queen Sunday put in here to report the loss of 14 lives.

About 3:45 o'clock Saturday morning while off the mouth of the Columbia river, the Queen caught fire in her after saloon in some unexplained way. With indescribable swiftness the fire gained headway and threatened soon to envelop the whole ship.

To add to the horror the heavy seas running meant death to any sent away in the life boats. The flames became more and more threatening until, when it seemed a choice of deaths, Capt. Cousins ordered the lifeboats launched. They were manned by the crew and ordered to remain close to the ship. Into the sea the women and children were placed. Hardly, however, had the boats been cast loose than, unable to weather the fierce waves, two of them capsized.

The passengers and those of the crew who remained on board continued their fight against the flames with increasing success until, at 7:40 a. m., the fire was brought under control. When it was thought the danger from fire was past, Capt. Cousins recalled the lifeboats and the occupants were taken aboard.

The Queen was headed for the mouth of the Columbia river and about 9 o'clock the steamer Santa Monica was sighted. The Queen signalled and asked her to stand by until temporary repairs could be made. When everything had been made safe the Queen continued on to the mouth of the Columbia, only to find the bar was too rough to cross in. The distressed craft was pointed toward Puget Sound, but had fortune still pursued and when she rounded Cape Flattery she encountered a terrific electrical storm. With difficulty she weathered the gale and arrived about midnight.

A JURY OF WOMEN.

They Refused to Separate a Mother and Her Child.

Chicago, Feb. 29.—The verdict of the only jury of women ever impaneled in Cook county has been reversed.

Mrs. Anna McGann and her eight-year-old daughter Mary have been separated after being found in squalor at 322 Aberdeen street.

When the case was brought to the attention of Judge Lockwood Honore, the pathos of the circumstances led him to call Miss Minnie Jacobs, Mrs. E. Maher, Mrs. Emma Quintan, Mrs. Elizabeth Perry and two other women to sit as a jury in the litigation. Despite the contention of the state that the aged woman was without means or support, the feminine jury refused to send her to a public institution, declaring in the formal verdict that a separation from her child would break the aged mother's heart. Now the case has been reversed by Judge Tuthill.

JOHN ALEXANDER DOWIE.

His Meeting in Melbourne Broken Up By a Crowd.

Melbourne, Feb. 29.—John Alexander Dowie's meeting Sunday afternoon in the Exhibition building was broken up by the crowd shouting and singing comic songs. He was obliged to abandon the evening meeting and was himself chased around the city by the rougher element, the mob yelling challenges to him to justify himself as a prophet. Public antagonism is so strong that Dowie has been refused rooms at a fashionable hotel.

Predicted His Death.

St. Louis, Feb. 29.—Arousing himself from a feverish slumber before dawn Sunday, Rev. Clarence M. Folsom, assistant pastor of the Church of Spiritual Unity, predicted to his wife that he would be dead before 4 o'clock in the afternoon. At 3:45 he peacefully passed away. He had suffered three weeks from erysipelas.

New Stables For the White House.
